You know I think your good looking so I guess I'll say goodbye.
Rick-stick-Dobson

To a real Babe

To a BABE OF A WOMAN:
Have fun this summer and enjoy the Mister as much as you can while you can. The Doc wishes you the best
"The Doc" Hodge.

Christy,
I've known you for a long time but when you started homestead it took us long enough to recognize each other. It was a pain in P.E. but Roach made it all the better. Hope you have a good life.
Bonnie Miller

Kristie,
It was really great getting to know really nice person like you, as well as one truly foxy chick. With your looks, you should be able to handle them next year. Of all the people I met this year, meeting you was the best. I hope you have a great summer, without me (sob).
Love
Nicholas Hall

Christi,
It is a great pleasure to know you. I have appreciated your smile all year. I hope that I shed some light (perversity?) on French class this year. I wish you hadn't left the class (I've always wondered if you left the class because of my big mouth, sob, sob).

Anyway, it's been fun, but not fun enough (nudge, nudge, wink, wink, know what I mean, know what I mean?) I took that from Monty Python, by the way.

Seriously, good luck in the future, etc. etc. You will have to come over swimming this summer. My number is 964-2263.

I will leave you with this thought you can pass on to your worst enemies: May the sewers of Rangoon back up in your breakfast! By the way, I hope you liked the flowers.
Live long and prosper! Love (really)

Back of the Rain Curtain

The rain obliterates
But brings to the ground the airborne dust
And hangs an unpartable curtain
Across my theatre stage
Behind and backstage
The chaotic turn of scenes and pages
... Faces and solid furnitures
The steadfast script is practiced
In unsure whispers
and very few changes are bravely made
Obscure feet soft-shoe in the half-light and
The isolation of the curtain is
Acknowledged as a godsend P.G.

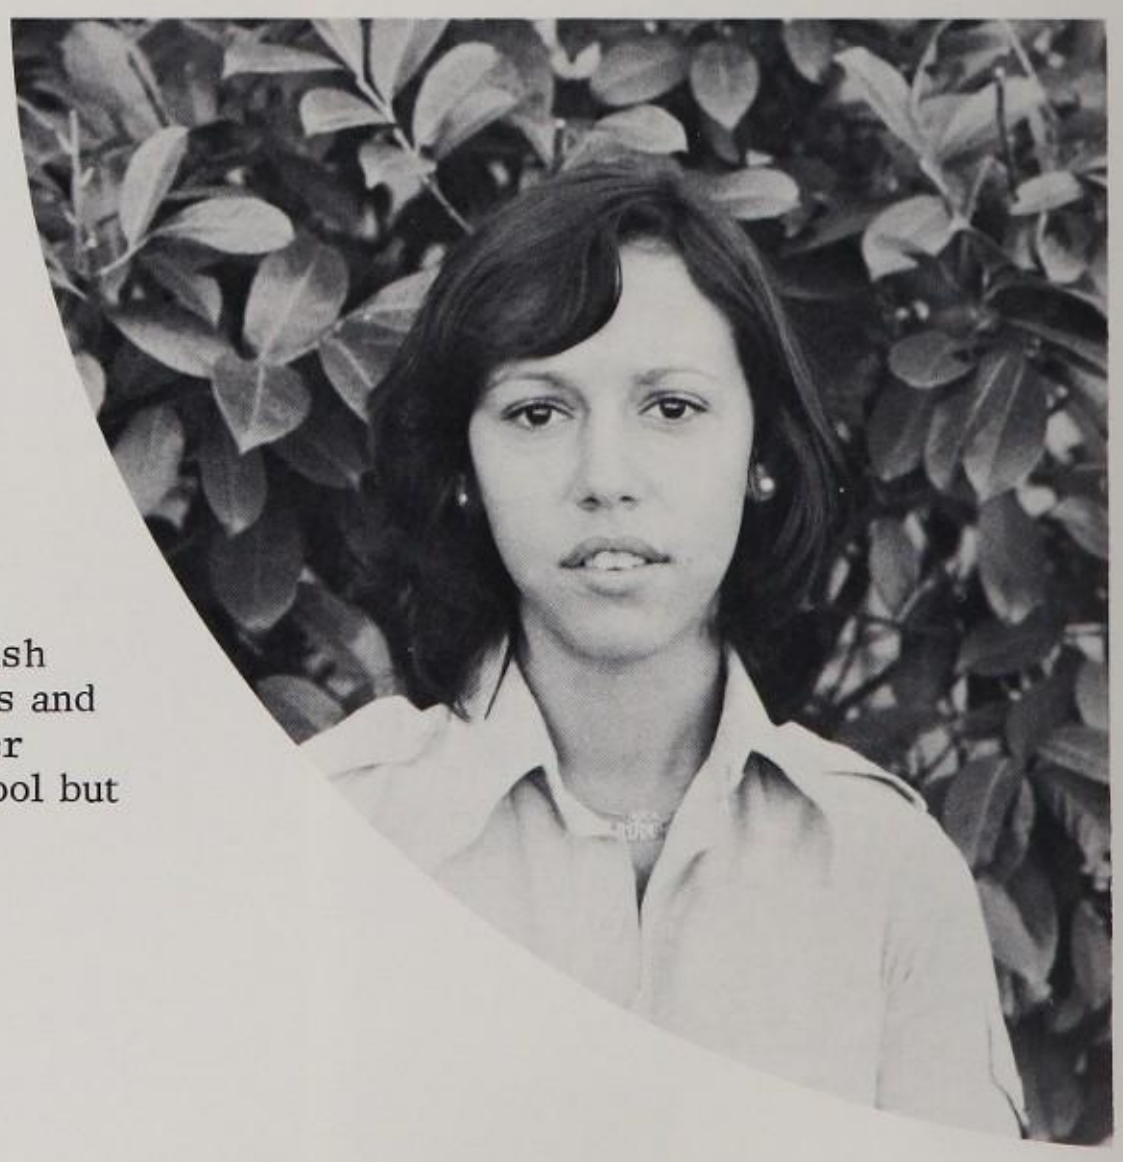
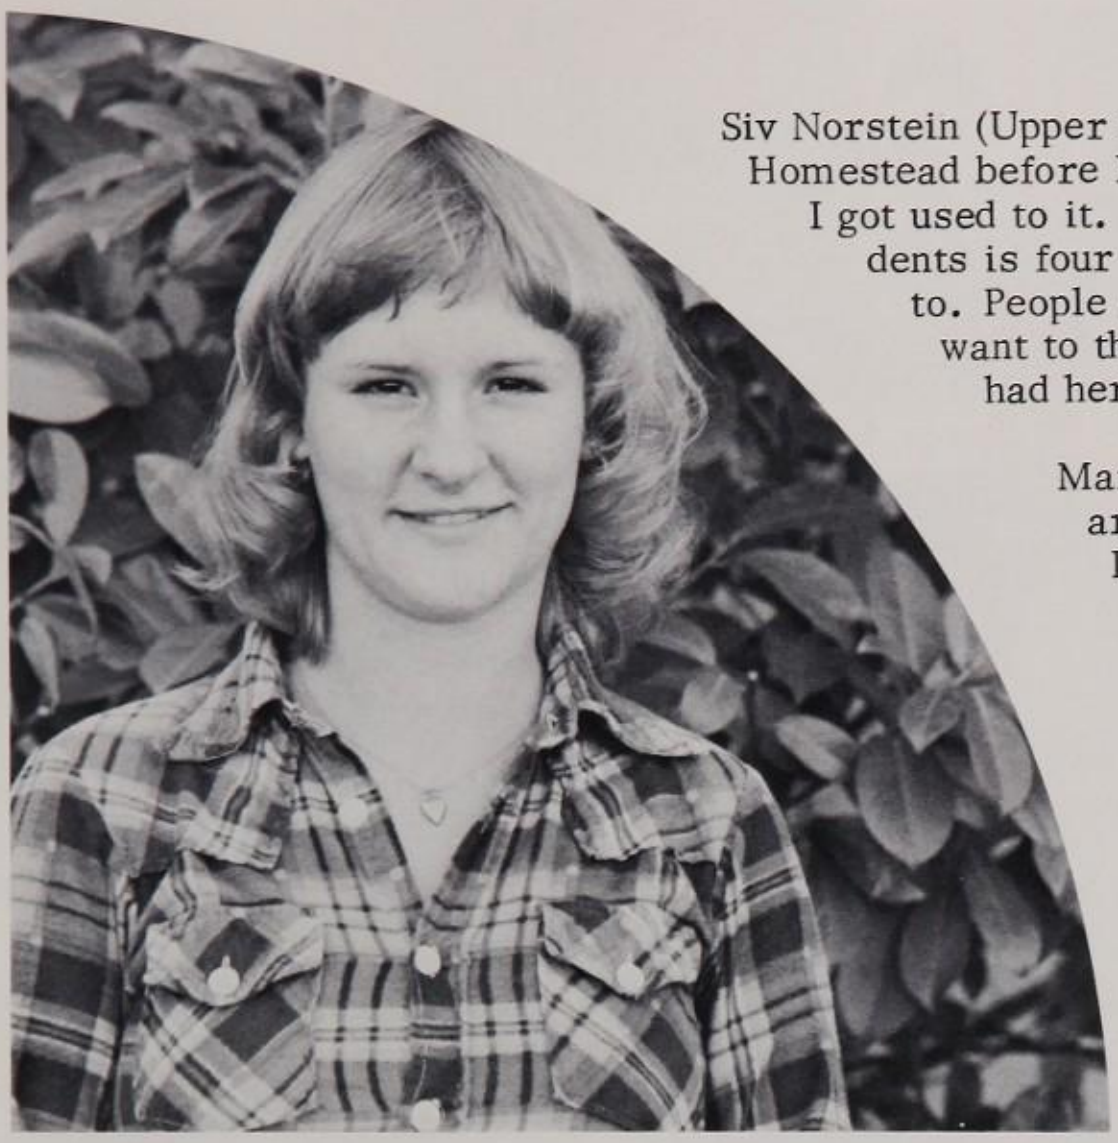
Foreign Exchange Students

Mr. Stottlebower-counselor

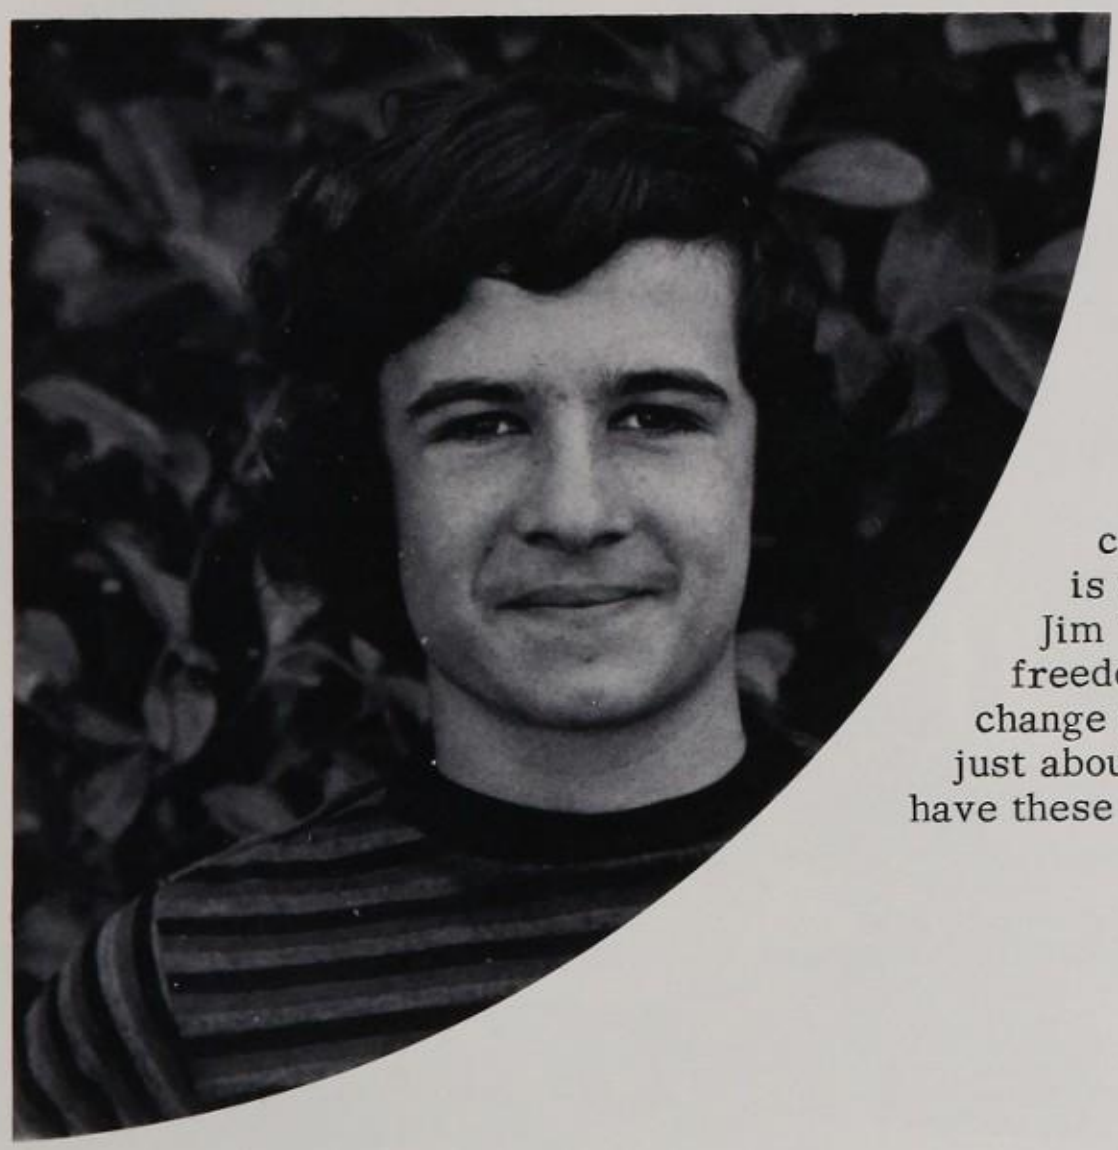


Claudia M. Briglia (Right) from Salvador, Brazil-Our school system is very different than here. My classes start at 7:00 and finish at 12:00. In Brazil the students stay in class and the teachers move. The schools are smaller than here and in Brazil we pay for high school but not for the University.



Siv Norstein (Upper Left) Olso, Norway-I was told a little about Homestead before I came here, but still it took a while before I got used to it. Everything is larger and the number of students is four times as many as at the school I used to go to. People are in general very friendly and open and I want to thank all my friends for the great year I have had here.

Marie Lund (Upper Right) Sweden-The schools are different if you compare it to Europe and I'm really enjoying my school year here at Homestead. The people seem to be more friendly here and that helps a lot. The food is very good and I'm about 20 lbs. heavierthan in September.



Lisa Reed (Above) is a Homestead student currently at school abroad in Germany. She is with the Youth For Understanding program.
Jim Tilemachou (Lower Right) Greece-I like the freedom the students enjoy because here you can change your classes or the teachers. You can wear just about anything you want. In Greece you don't have these things.

English As a Second Language

ESL is a class composed of students from countries throughout the world who are presently residing in the United States. The students are taught on a one to one basis on their own level of English, subjects which include World History and conversational and written English. The advisors are Mr. Crump, Right, and Mr. Pelton, Above, who teach World History and English, respectively. Helping these teachers are student tutors.

The Komex®-Komed® Acne Control Plan

You want quick improvement in your acne. The plan below may do it for you. It's easy to follow and inexpensive. Also, it can help your appearance **while** you're working to bring your acne under control.

Follow these steps (as they apply to you) faithfully without missing a day for at least four weeks.

1. Cleanse your face with Komex first thing in the morning. Then apply Komed. (If you shave, apply Komed **after** shaving.)
2. If you use make-up, wash your face at lunchtime, apply Komed, and then put on fresh make-up.
3. After school or as soon as you no longer need make-up for the rest of the day, wash off your make-up and apply Komed.
4. Just before you retire for the night, cleanse your face with Komex and apply Komed. Komed dries to a smooth invisible film. It leaves no telltale clues, with or without makeup.
